ENTHUSIASTIC CONFERENCE HELD BY REPUBLICANS TO FURTHER PLANS FOR GETTING OUT A BIG VOTE

Permanent Headquarters Will be Established in Charleroi for the River District Until After the Election--Many Prominent County Workers Present at Meeting.

RESOLUTION DEFENDING TENER ADOPTED

Like the gathering of the Highland clans in the middle ages, from whence the fiery cross of notifications was sent abroad summoning the cohorts to the fray, was the enthusiastic conference meeting of Republican workers and friends of Congressman John K. Tener, Republican candidate for Governor, that was held in the Charleroi Savings and Trust company hall last evening. Although not advertised as a public rally, the meeting was attended by fully 500 people, and was one of the most representative assemblages of the kind that ever gathered in the valley or in any other part of the county for that matter.

The meeting was held in response to a letter of invitation sent out by the precinct chairmen, Dr. F. L. Crow, Wylie McCarty and Councilman O. C. Linn. At first the meeting was intended to summon the local workers together for the purpose of getting the vote in Charleroi out election day, but on the suggestion of County Chairman J. F. McClay invitations were extended to workers up and down the river, as well as to the candidates to participate in the conference with the idea of making Charleroi a central point for the river district during the balance of the campaign. The result is that a central headquarters will be established in Charleroi with J. K. Johnston superintendent of the Coal Works, as chairman, and Chas. O. Frye as secretary.

D. M. McCloskey, Esq., called the meeting to order which was composed of representative citizens from up and down the river, business and professional men, as well as employers and employed. He stated that the object was to elect a temporary chairman, who would serve as chairman of headquarters to be opened for the conduct of the campaign along the river. On motion J. K. Johnston was elected chairman and Chas. O. Frye secretary. Mr. Johnston on assuming the chair stated that when he came to Charleroi 19 years ago John K. Tener was the only man he knew here and since that time he has been intimately associated with him in business and social affairs. He has always found Mr. Tener to be a gentleman, and a man of sound business judgement and of strict integrity. He spoke of the malicious attacks made upon Mr. Tener, and urged Charleroi voters to a man to turn out and vote and work for a vindication on November 8.

On motion a committee composed of Dr. G. G. Crow, chairman, Dr. J. W. Hunter, T. L. Daly, C. F. Thompson, C. O. Frye, F. P. McCloskey, G. S. Night, A. H. Chandler, J. H. Bowers, Thomas Jenkins, R. J. Whitehead, J. H. Sheppard, A. G. Gregg, H. L. Swickey, Capt. J. K. Billingsley, Henry Mesta, Hiram Smith, R. G. Perry, Joseph Edwards, Ralph Allison, John Cairns, David Smith, F. E. Beazell, C. H. Truxal, Wm. Riggs, J. Quay Billingsley, Hon. C. L. Shuck, J. P. Froebe, Wm. Neil, Samuel Chaney, O. A. Phillips and Capt. J. K. Hein was appointed to draft a resolution expressive of the sentiment of the meeting. The committee retired and later reported the

following which was unanimously and enthusiastically approved:

"Mr. Chairman and Fellow Citizens: We, the committee appointed by you to draft resolutions embodying the sentiment of this meeting, knowing Mr. Tener's attitude upon all questions affecting the welfare of the working man and the best interests of the business community, and his strong and active support of all civic and moral movements, respectfully submit for your consideration the following resolution:

"Resolved, That we formally protest against the campaign of vilification, slander and unwarranted vilification being conducted throughout the State of Pennsylvania attacking the integrity and honor of our fellow citizen, John K. Tener. We hereby endorse, approve and commend to the Republicans and well-meaning citizens of Pennsylvania the candidacy of Mr. Tener for Governor, he being a man of the strictest integrity and of the very highest possible social, moral and business standing in this community and possessing the confidence of his neighbors and business associates to an unusual degree."

Owen C. Underwood, Esq., of Washington, who represented County Chairman J. F. McClay, urged the support of the Republican ticket. As an incident of Berry's duplicity, he related that when Berry was in Washington he preached Sunday in one of the churches and while yet the congregation was passing out sent word to the Democratic chairman and demanded that the committee so far as possible be summoned for a political conference. It was suggested that some of the committee might have conscientious scruples about doing that sort of thing on Sunday, but Berry was insistent, saying that he would have no other opportunity for a conference.

Assemblyman J. B. Holland was present and in a ringing declaration proclaimed his allegiance to the Republican ticket. He said: "I am for John K. Tener for Governor and for the rest of the Republican ticket. The Keystone people approached me and asked to place my name on their ticket. I told them that would be all right, but that I wanted them to understand that I was a Republican, always was a Republican and always would remain a Republican and would work for the success of the entire Republican ticket."

Scathing denunciation of Acheson was delivered by ex-Mayor Richard Elwood of Monongahela.

"If the people of Washington county desire a return to the worst form of bossism, vote for Acheson's Keystone ticket," he said.

A. Hart Chandler, superintendent of the Pittsburgh Plate Glass company, spoke of the good Mr. Tener had done for Charleroi. He knew him for 19 years and his confidence in his integrity cannot be destroyed in a week. "If Tener is not an upright, honest man then God help the rest of us," shouted the speaker, and the audience cheered.

STRAW VOTE SHOWS TENER IN THE LEAD

Coming up on the Pittsburgh-Charleroi car, leaving Pittsburgh at 8 o'clock this morning a straw vote among the passengers taken before arriving at Riverview, revealed the fact that J. K. Tener is a favorite over Berry by the total of 17 to 5. The vote was taken by R. Dale Joliffe of Charleroi and a fellow passenger on the car who was an out and out Berry man.

The idea of taking a straw vote oc-

curred to Joliffe after the car was some distance out from Pittsburgh and the mentioned it to his seat mate. They agreed the vote should be taken before the car approached the distinctively Tener zone, and it was as follows: Tener 17; Berry 5; Slayton 1. Just after the vote had been taken several men known to be for Tener, among them Assemblyman Charles A. Bentley of Monongahela, got on the car.

ARE SORE AT W. H. BERRY TRIP OVER NEW LINES

To the Editor of the Charleroi Mail: Dear Sir--We are in receipt of so many protests from the laity and ministers of the Methodist Episcopal church over the action of Bishop Wilson, Warren and Neely in asking the church to support Mr. Berry that I have sent them the enclosed open letter and trust that you will find room in your columns to publish it.

Cordially yours, Burton L. Rockwood, Chairman Prohibition State Committee. An open letter to Reverends Bishop Luther B. Wilson, Thomas M. Neely and Henry W. Warren, of the Methodist Episcopal church, Greeting:

Dear Fathers and Brethren: We have just read your appeal to the churches of Pennsylvania to support Wm. H. Berry and his platform for Governor, because of his and their

SAYS SENTIMENT IS FOR TENER

Samuel Paxton, a former California man who is a clerk employed at the State capital, was in Charleroi yesterday on a business trip and to visit friends. Mr. Paxton said that politics were warming up properly at Harrisburg, and that the sentiment for J. K. Tener is strong.

A Self-Explanatory Letter

To the Editor of the Charleroi Mail.

Dear Sir: On several occasions a certain Pittsburgh newspaper has referred to the electric sign built in honor of Mr. J. K. Tener, Republican candidate for Governor of this State, as being built by non-union labor. Now in justice to myself and those taking part in its erection, I make this statement.

In the latter part of August, 1910, I was appointed chairman of the decorating committee for the opening of Mr. Tener's campaign at Charleroi, September 3, 1910. In order to make the surprise more complete for Mr. Tener, who had not yet returned from his vacation, we decided on the erection of an electric sign to be used for the opening night only, but owing to the attractiveness and general admiration by many of our town's people, arrangements were made to keep this sign in commission until November 8. In the erection of this sign, I hereby give the following names of firms who have taken part in the building and completing of same: Wood work by Walton Lumber Company; iron letters by F. H. Ransom; painting by E. H. Arrison; electrical wiring by Gordon and Richards; placing sign in position by Bell Telephone Company's wiremen.

Each of the above mentioned firms are parties fully prepared to substantiate their union colors and resent the accusation of employing non-union labor. As to myself regarding union labor, I have nothing to shield and at all times it has been my greatest endeavor to uphold its principles.

Respectfully yours,
R. L. Barnhart.

LIKES TOWN TOO WELL TO LEAVE

W. A. Swick, a member of the Charleroi high school faculty, and one of the most popular as well as one of the most efficient teachers that ever taught here, has a liking for Charleroi and regard for his pupils too strong to allow of him accepting an enviable position in another school. Mr. Swick a few days ago was elected to teach in the Bellevue high school, with an increase of salary and the promise of ideal conditions and surroundings. He considered the matter and finally concluded to accept. Then his pupils here learned of the matter and petitioned the popular instructor to remain. This he finally determined to do, much to the gratification of high school students and Charleroi people generally.

PREDICTS BIG LEAD

Chairman McClay Says Republicans Will Carry County.

GOOD VOTE FOR TENER

Republican County Chairman J. Frank McClay estimates that John K. Tener, Republican nominee for Governor, will carry Washington county over William H. Berry, Keystone party candidate, by a plurality not less than 2,000 votes.

This estimate is conservative and does not take into consideration the fact that sentiment is swinging strongly away from the Berry movement but is based on reports made up to Saturday from all sections of the county.

McClay's figures coincide with those of the Keystone party managers. They expect to lose the county by 2,000 votes. Several weeks ago on early reports they figured that the result would be close and that Tener might win by a majority of 300 or lose by about the same vote. Since then the Keystone men have found that Berry sentiment had reached its highest point and that it is now rapidly receding. In an exchange of views yesterday at the county seat one of the best informed Keystone men put Berry 2,000 votes to the bad. He was even willing to admit that the Keystone prospects are rapidly growing worse.

NEW CASES ARE FILED

Details of Beechwood Crossing Fatality to be Threshed Out in Courts.

Through three more suits being instituted against the Pittsburgh Railways company by members of the Hamilton family at Roscoe who suffered in the collision last June at Beechwood crossing of a Pittsburgh-Charleroi car with W. H. Hamilton's automobile in which he and his son Leroy were killed, the total amount of damages claimed is made \$135,000.

The plaintiffs in the suits most recently filed are Annie E. Hamilton, a daughter of W. H. Hamilton; Mary B. Hamilton, a daughter, by her next friend and mother, Mrs. Ida Belle Hamilton, and Mrs. Hamilton, in her own right, and Robert R. Hamilton, another son, by his mother, and the mother in her own right.

Mrs. Hamilton first brought action in behalf of herself, claiming \$50,000 damages by reason of the loss of her husband. In a suit filed last week Mrs. Hamilton, for herself and children, claim \$25,000 damages, by reason of the death of the husband and father and her son, Leroy Hamilton, Annie Hamilton, the daughter in the suit filed this week claims \$25,000 damages. In the suit of Robert R. Hamilton, a minor son, by his mother, and the mother in her own right \$20,000 damages are claimed for the minor son and \$5,000 for the mother--25,000 in all.

In the suit of Mary B. Hamilton by her mother and her mother in her own right, there is claimed \$8,000 damages for the minor daughter and \$2,000 for the mother. The daughter, it is averred, was badly burned and otherwise injured.

Well Known Couple Wed

Last evening at 8 o'clock at the home of the bride's parents on Washington avenue, Miss Anna L. Carson and James Johns, the latter of Dunlevy were married. Rev. Joseph Feightner of Wall performed the ceremony and there were about 40 guests present. A reception was tendered the couple after the wedding. The bride is the daughter of Mr. and Mrs. W. B. Carson, and is a well known young lady. The groom is popular along the valley. He has been employed at Carson's grocery store on Fifth street. The couple will not take any trip for the present, but will make their home with the bride's parents and later go to housekeeping in North Charleroi.

Getting Aroused

Could the detractors of Congressman John K. Tener have looked in upon the meeting of citizens and Republican workers at Charleroi last evening, they would have realized at least, how Mr. Tener stands in his home community. No assembly was ever more truly representative of the American type of citizenship than the one that gathered last night in Mr. Tener's home town to pledge their loyalty to the support of a worthy townsman, as well as to protect against slanderous and malicious attacks upon the good name and business integrity of one whom they honor and revere. The one and incident was expressive of feudal times, when the Highland clans assembled and swore allegiance to their chieftain, and carried the fiery cross throughout the domain to summon their supporters to the fray. From this meeting the fiery cross of allegiance will be carried up and down the river to summon the clans to the forthcoming combat next Tuesday, when the battle of the ballots will be fought to decide whether honor, truth and integrity will triumph over malice, slander and vituperation. Few campaigns have exceeded this in personal vilification, for these reason that the opposition had nothing better to offer in the way of an issue. They manufactured malicious falsehoods against one of Charleroi's most esteemed townsmen, and the community is thoroughly aroused and will resent these aspersions at the polls on election day.

Stuart in the Campaign

Governor Edwin S. Stuart is delivering some of the most forcible speeches of the campaign. At every meeting he has attended he has been greeted by large audiences who have listened with deep interest to his views on the duty of the voter in Pennsylvania this year. Like every other good citizen of this State Governor Stuart is indignant over the campaign of slander directed by the money-hungry newspapers and office hungry candidates against the head of the Republican ticket, John K. Tener. The Governor is familiar with that sort of campaign. In 1906 he was the victim of the influences which are now assailing the Republican candidate. He is appealing to his friends to vote for Mr. Tener. In South Philadelphia, where he was born and raised, Governor Stuart said:

"I am here tonight to ask you men to stand by the Republican party and the Republican ticket. The best thing we can do is stand by one another. I hope to see and I know I will see John K. Tener and every other Republican candidate triumphantly elected."

The candidacy of Mr. Tener could not receive a more effective endorsement than that. It is the best reply that could be made to the cowardly attacks of his wretched traducers. Governor Stuart knows all about Mr. Tener and if there was anything wrong

with him the Governor would be the last man in the State to urge his election. Mr. Tener can stand the malicious attacks of the depraved combination that hopes to bring about his destruction by lying about him. But what do the people of Pennsylvania think of such a campaign. How will the fair minded Republicans of this State be counted on November 8th? Will they stand with Edwin S. Stuart and support John K. Tener, or will they malign themselves with brazen, self-seeking demagogues in the campaign of falsification?

ELECTRIC SPARKS

The North American says a lying attack has been made upon D. Clarence Gibboney, Keystone candidate for Lieutenant Governor. The difference between tweedle dee and tweedle dum.

The North American is devoting more space now to telling how Gibboney didn't do it than how Tener did. The Philadelphia Ledger has North American's goat.

Trolley talk say that the West Penn is going to build a line along the river. When the line is completed and we are riding on it we will be more sure, however.

A man can go out and stay three-fourths of the night having a good time and pay for it, but if he is requested to work overtime and get paid for it, he gets a grouch.

Except the Philadelphia North American, human nature is the funniest thing in Pennsylvania.

Some fellows have the funniest idea of how to welcome a new man in town you ever saw. They make speeches at him.

With Thanksgiving but a short ways off the count of turkeys should be made by owners each night and each morning.

They talk about the human animal flying around the Statue of Liberty at New York as though it was something big. Yet other kind of animals fly around it several times a day and it requires no comment.

Even Gibboney, the pure, the reformer, the wise business man the shrewd attorney, was caught in a get-rich quick scheme, and associated with a crook, whose picture embellishes the Rogue's Gallery. Yet the Philadelphia North American while backing Gibboney discovers that a concern which has every evidence of being founded upon sound basis is supposedly a swindle. Funny old world of inconsistency, isn't it?

Enthusiastic Conference Held By Republicans

(Continued from First Page.)

W. T. McAllister of Monongahela who has been a Republican all his life, sees no reason why he should change his politics. He said: "When Lincoln, the rail splitter, came out of Illinois he was slandered and traduced. The only issues the opponents of the Republican party can raise are those of slander and abuse but the charges always react."

A. H. Anderson, candidate for State Senator; Rev. Daniel Ferguson, colored, who said that the negroes would vote for the Republican nominee; Thomas Hill, county commissioner; County Detective McCleary, Albert M. Gregg, of Monongahela; Dr. G. G. Crow and Charles A. Bentley candidate of Assembly were

other speakers. Mr. Bentley made a hit by referring to the Keystone candidate for secretary of internal affairs, Mr. Casey, and illustrated what would happen to Casey by retreating the famous baseball epic, "Casey at the Bat."

John D. Berryman said that he had bearded the Republican lion in its den to be present in order to speak a good word for Mr. Tener. He said he knew the Charleroi candidate to be a clean, honest man, and urged every voter to give him his support at the polls.

Two resolutions were adopted by a unanimous vote. These were:

Resolved, That all Charleroi citizens devote as much time as they can spare from their places of business and work shops to getting the vote out for Mr. Tener on election day.

Resolved, That the friends and supporters of J. K. Tener turn out en masse to the rally at Monongahela Monday night, November 7, when Mr. Tener will be present and close his campaign.

The meeting was one of the best

The Fuel Supply Needs Attention Only Three Times Each Day

The makers of **Cole's Hot Blast Heater** guarantee this stove to hold fire with soft coal 36 hours without attention. Your old stove and imitation stoves leak air and waste fuel because they are not air-tight, because they have putty joints.

Cole's Original Hot Blast Heater

—by means of the patented Hot Blast Draft and other patented features which make it tight, doing away with the use of stove putty—requires less attention than any other heater made.

All fuel—Soft Coal, Hard Coal, Lignite, Wood or Corn Cobs—contains a large amount of gas. Fully one-half of the heating power (carbon) in soft coal is gas. This is the part of the fuel this wonderful heater saves, by burning it with the Top Hot Blast Draft. This makes Cole's Hot Blast Heater the most satisfactory, the most economical, the most convenient heater you can buy. Imitations and other styles of stoves allow this gas-half of the coal to pass up the chimney with the smoke, unburned.

Thousands of these stoves are in use and the sale continues to increase year after year.

This heater will give you more comfort than you ever thought possible by using any kind of a stove which uses soft coal for fuel.

Right now is the time to decide and select the size you should have. Come in and see complete line of styles and sizes.

attitude on the liquor question. Please read his plank and below the Brewer's Association plank. They both favor regulation.

Have the Methodist Church leaders gotten no further along than this in the year of grace, 1910.

Berry's Plank—"The sale of intoxicating liquors is peculiarly a matter affecting each community. It is in accordance with true democracy and the right of self-government, that citizens be granted the opportunity to control the business of liquor selling in accordance with the will of the majority in each locality."

U. S. Brewers' Plank—"To deny that the local community has the right to decide for itself whether or not the sale of intoxicants shall be licensed is to deny a wholesome principle of self-government."

In 1886 Mr. Berry left the Prohibition party and took up free silver as his dominant issue.

In 1905 he asked the Prohibition party endorsement as candidate for State Treasurer, and got it on his avowed belief in Prohibition. He was elected largely through the canvass made by Prohibitionists.

In 1906 he begged from the Prohibition party the nomination for Governor on the ground that it would put the Democrats and Lincoln Republicans in a hole when they came to hold their convention. He won the Prohibition nomination by promising that if those parties rejected him and nominated a man not four square for Prohibition, would go with the Prohibitionists and fight it out before the people. Those parties did not endorse him, but put up a man whom, Berry said, could not be endorsed by the Prohibitionists because so drunk was he on the evening of his nomination that he had to be put to bed and a man, who after his nomination put over his own signature the statement: "I contribute to the brewery as I do to the church, the school and the hospital."

Then Mr. Berry threw over his shoulder the Prohibition nomination for which he had begged and went with the brewery candidate before the people against the candidate the Prohibitionists, by Berry's treachery, had been forced to hastily put up to fill the vacancy caused by his declination.

In the year 1910 the Democratic convention at Allentown was not so corrupt but that Berry sought, almost with tears, its nomination involving what he now say was their dirty work. Its corruption consisted in turning him down. And this is the platform and the man recommended to the church by you, its leaders.

Why do you endorse them? You give yourselves away in one sentence. Here it is: "We desire very heartily to express our appreciation of the courageous fight against the saloon, so long prosecuted by the Prohibition party and its self-sacrificing leaders, but we feel that the present crisis is unparalleled in its call to all citizens to rally to the one standard which promises victory now."

There is, milk in the cocoanut, "promises victory now." The desire to get into what now looks like "the swim" clear or cloudy, clean or dirty, straight or crooked, right or wrong. "Victory now." For thirty years the vote of the church under the influence of her leaders went almost solid for what is now stigmatized as "having forfeited all claims upon the support of the moral element of our citizenship." It was thus thirty years in the dirty "swim" and its leaders seem content to take a new plunge in the direction of "local control" of the liquor traffic.

The wrong against which these leaders now protest and to throttle which, they advise Prohibitionists to play the traitor to their own noble candidates and splendid platform by voting for Berry—candidates nominated too before the Keystone propaganda had an existence, has not been less flagrant, noisome or hell-deserving at any time during these thirty years than now.

Strange that you should so suddenly awaken to the enormity of the wrong, but the promise of the victory won, any old victory on any kind of a platform, and with any kind of a leader, is inspiring to Christians intent on being "in the swim."

CHARLES UMBLE

In 1906 A. H. Anderson was nominated by the Republicans of Washington County for State Senator. Greene County also presented a candidate in the person of Hon. Daniel S. Walton. Under the conferee system then in vogue, each candidate was entitled to an equal number of conferees. The rules of the State Committee provided that in case of a disagreement, the State Chairman should appoint an umpire, whose vote should decide.

Col. W. R. Andrews, then State Chairman, appointed W. S. Parker, who decided in favor of Mr. Walton. How well Mr. Anderson supported the ticket after being turned down is best told by the following letter from A. M. Templeton, then Chairman for Washington County:—

Col. W. R. Andrews,
1417 Locust Street,
Philadelphia, Pa.

Dear Sir:—

You will remember that Mr. Anderson was a candidate for State Senate from the Washington-Greene district, and that I had a talk with you one day late last summer, at Atlantic City, regarding same. You saw fit to arrange matters so that Mr. Anderson would not receive the nomination, and the result was fully as bad as I told you it would be. Mr. Anderson developed great strength at the primary, and his friends were exceedingly indignant over his defeat and the manner of it. Had he stopped right there, as many would under the circumstances, it would have been a very serious matter for the whole Republican ticket in this county. Mr. Anderson, however, was not that kind of a Republican. He placed himself at the disposition of the County Committee and did everything in his power to undo the harm that had been done, and worked faithfully throughout the campaign. The indignation of his friends, however, was so great that, notwithstanding all he could do, our majority was several hundred less than it would have been had he been on the ticket, but he saved us many hundreds that we would have lost had it not been for his faithful work.

Yours very truly,
A. M. TEMPLETON,
Chairman.

Gentlemen: In the winter of 1903, I had an attack of grippe, followed by pneumonia and later by consumption. I grew steadily worse. In the winter of 1904 I had cough, night sweats, fever and rapid quantities of awful looking sputum and later, I had many hemorrhages; at one time, three in three successive days. Milk and eggs were so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until on my last day, I am perfectly well. Every thing I say here can be verified by my family and friends." ENTHUSIASTIC CONFERENCE HELD BY REPUBLICANS TO FURTHER PLANS FOR GETTING OUT A BIG VOTE

Permanent Headquarters Will be Established in Charleroi for the River District Until After the Election--Many Prominent County Workers Present at Meeting.

RESOLUTION DEFENDING TENER ADOPTED

Like the gathering of the Highland clans in the middle ages, from whence the fiery cross of notifications was sent abroad summoning the cohorts to the fray, was the enthusiastic conference meeting of Republican workers and friends of Congressman John K. Tener, Republican candidate for Governor, that was held in the Charleroi Savings and Trust company hall last evening. Although not advertised as a public rally, the meeting was attended by fully 500 people, and was one of the most representative assemblages of the kind that ever gathered in the valley or in any other part of the county for that matter.

The meeting was held in response to a letter of invitation sent out by the precinct chairmen, Dr. F. L. Crow, Willie McCarty and Councilman O. C. Linn. At first the meeting was intended to summon the local workers together for the purpose of getting the vote in Charleroi out election day, but on the suggestion of County Chairman J. E. McClay invitations were extended to workers up and down the river, as well as to the candidates to participate in the conference with the idea of making Charleroi a central point for the river district during the balance of the campaign. The result is that a central headquarters will be established in Charleroi with J. K. Johnston superintendent of the Charleroi Coal Works, as chairman, and Chas. O. Frye as secretary.

D. M. McCloskey, Esq., called the meeting to order which was composed of representative citizens from up and down the river, business and professional men, as well as employers and employed. He stated that the object was to elect a temporary chairman, who would serve as chairman of headquarters to be opened for the conduct of the campaign along the river. On motion J. K. Johnston was elected chairman and Chas. O. Frye secretary.

Mr. Johnston on assuming the chair stated that when he came to Charleroi 19 years ago John K. Tener was the only man he knew here and since that time he has been intimately associated with him in business and social affairs. He has always found Mr. Tener to be a gentleman, and a man of sound business judgement and of strict integrity. He spoke of the malicious attacks made upon Mr. Tener, and urged Charleroi voters to a man to turn out and vote and work for a vindication on November 8.

On motion a committee composed of Dr. G. G. Crow, chairman, Dr. J. W. Hunter, T. L. Daly, C. F. Thompson, C. O. Frye, F. P. McCloskey, G. S. Might, A. H. Chandler, J. H. Bowers, Thomas Jenkins, R. J. Whitehead, J. H. Sheppard, A. G. Gregg, H. L. Swickey, Capt. J. K. Billingsley, Henry Nests, Hiram Smith, R. G. Perry, Joseph Edwards, Ralph Althorn, John Cairns, David Smith, F. E. Easell, C. H. Trural, Wm. Riggs, J. Quay Billingsley, Hon. C. L. Shuck, J. P. Froebe, Wm. Neil, Samuel Chaney, O. A. Phillips and Capt. J. K. Hein was appointed to draft a resolution expressive of the sentiment of the meeting. The committee retired and later reported the following which was unanimously and enthusiastically approved:

"Mr. Chairman and Fellow Citizens: We, the committee appointed by you to draft resolutions embodying the sentiment of this meeting, knowing Mr. Tener's attitude upon all questions affecting the welfare of the working man and the best interests of the business community, and his strong and active support of all civic and moral movements, respectfully submit for your consideration the following resolution:

"Resolved, That we formally protest against the campaign of vilification, slander and unwarranted operation being conducted throughout the State of Pennsylvania attacking the integrity and honor of our fellow citizen, John K. Tener. We hereby endorse, approve and commend to the Republicans and well-meaning citizens of Pennsylvania the candidacy of Mr. Tener for Governor, he being a man of the strictest integrity and of the very highest possible social, moral and business standing in this community and possessing the confidence of his neighbors and business associates to an unusual degree."

Owen C. Underwood, Esq., of Washington, who represented County Chairman J. P. McClay, urged the support of the Republican ticket. As an incident of Berry's duplicity he related that when Berry was in Washington he preached Sunday in one of the churches and while yet the congregation was passing out sent word to the Democratic chairman and demanded that the committee so far as possible be summoned for a political conference. It was suggested that some of the committee might have conscientious scruples about doing that sort of thing on Sunday, but Berry was insistent, saying that he would have no other opportunity for a conference.

Assemblyman J. B. Holland was present and in a ringing declaration proclaimed his allegiance to the Republican ticket. He said: "I am for John K. Tener for Governor and for the rest of the Republican ticket. The Keystone people approached me and asked to place my name on their ticket. I told them that would be all right, but that I wanted them to understand that I was a Republican, always was a Republican and always would remain a Republican and would work for the success of the entire Republican ticket."

Scathing denunciation of Acheson was delivered by ex-Mayor Richard Elwood of Monongahela. "If the people of Washington county desire a return to the worst form of bossism vote for Acheson's Keystone ticket," he said. A. Hart Chandler, superintendent of the Pittsburgh Plate Glass company, spoke of the good Mr. Tener had done for Charleroi. He knew him for 19 years and his confidence in his integrity cannot be destroyed in a week. "If Tener is not an upright, honest man then God help the rest of us," shouted the speaker, and the audience cheered.

(Continued on Second Page).

STRAW VOTE SHOWS TENER IN THE LEAD

Coming up on the Pittsburgh-Charleroi car, leaving Pittsburgh at 8 o'clock this morning a straw vote among the passengers taken before arriving at Riverview, revealed the fact that J. K. Tener is a favorite over Berry by the total of 17 to 5. The vote was taken by R. Dalo Jolliffe of Charleroi and a fellow passenger on the car who was an out and out Berry man.

The idea of taking a straw vote occurred to Jolliffe after the car was some distance out from Pittsburgh and he mentioned it to his seat mate. They agreed the vote should be taken before the car approached the districtively Tener zone, and it was as follows: Tener 17; Berry 5; Slayton 1. Just after the vote had been taken several men known to be for Tener, among them Assemblyman Charles A. Bentley of Monongahela, got on the car.

ARE SORE AT W. H. BERRY TRIP OVER NEW LINES

To the Editor of the Charleroi Mail: Dear Sir--We are in receipt of so many protests from the laity and ministers of the Methodist Episcopal church over the action of Bishops Wilson, Warren and Neely in asking the church to support Mr. Berry that I have sent them the enclosed open letter and trust that you will find room in your columns to publish it.

Cordially yours,

Burton L. Rockwood, Chairman Prohibition State Committee. An open letter to Reverends Bishop Luther B. Wilson, Thomas B. Neely and Henry W. Warren, of the Methodist Episcopal church. Greeting: Dear Fathers and Brethren: We have just read your appeal to the churches of Pennsylvania to support Wm. H. Berry and his platform for Governor, because of his and their

SAYS SENTIMENT IS FOR TENER

Samuel Paxton, a former California man who is a clerk employed at the State capital, was in Charleroi yesterday on a business trip and to visit friends. Mr. Paxton said that politics were warming up properly at Harrisburg, and that the sentiment for J. K. Tener is strong.

A Self-Explanatory Letter

To the Editor of the Charleroi Mail.

Dear Sir: On several occasions a certain Pittsburgh newspaper has referred to the electric sign built in honor of Mr. J. K. Tener, Republican candidate for Governor of this State, as being built by non-union labor. Now in justice to myself and those taking part in its erection, I make this statement.

In the latter part of August, 1910, I was appointed chairman of the decorating committee for the opening of Mr. Tener's campaign at Charleroi, September 3, 1910. In order to make the surprise more complete for Mr. Tener, who had not yet returned from his vacation, we decided on the erection of an electric sign to be used for the opening night only, but owing to the attractiveness and general admiration by many of our town's people, arrangements were made to keep this sign in commission until November 8. In the erection of this sign, I hereby give the following names of firms who have taken part in the building and completing of same: Wood work by Walton Lumber Company; iron letters by F. H. Ransom; painting by E. H. Arrison; electrical wiring by Gordon and Richards; placing sign in position by Bell Telephone Company's wiremen.

Each of the above mentioned firms are parties fully prepared to substantiate their union colors and resent the accusation of employing non-union labor. As to myself regarding union labor, I have nothing to shield and at all times it has been my greatest endeavor to uphold its principles.

Respectfully yours,

R. L. Barnhart.

PREDICTS BIG LEAD

Chairman McClay Says Republicans Will Carry County.

GOOD VOTE FOR TENER

Republican County Chairman J. Frank McClay estimates that John K. Tener, Republican nominee for Governor, will carry Washington county over William H. Berry, Keystone party candidate, by a plurality not less than 2,600 votes.

This estimate is conservative and does not take into consideration the fact that sentiment is swinging strongly away from the Berry movement but is based on reports made up to Saturday from all sections of the county.

McClay's figures coincide with those of the Keystone party managers. They expect to lose the county by 2,900 votes. Several weeks ago on early reports they figured that the result would be close and that Tener might win by a majority of 300 or lose by about the same vote. Since then the Keystone men have found that Berry sentiment had reached its highest point and that it is now rapidly receding. In an exchange of views yesterday at the county seat one of the best informed Keystone men put Berry 2,000 votes to the bad. He was even willing to admit that the Keystone prospects are rapidly growing worse.

NEW CASES ARE FILED

Details of Beechwood Crossing Fatality to be Threshed Out in Courts.

Through three more suits being instituted against the Pittsburgh Railways company by members of the Hamilton family at Roscoe who suffered in the collision last June at Beechwood crossing of a Pittsburgh-Charleroi car with W. H. Hamilton's automobile in which he and his son Leroy were killed, the total amount of damages claimed is made \$135,000.

The plaintiffs in the suits most recently filed are Anne E. Hamilton, a daughter of W. H. Hamilton; Mary B. Hamilton, a daughter, by her next friend and mother, Mrs. Ida Belle Hamilton, and Mrs. Hamilton, in her own right, and Robert R. Hamilton, another son, by his mother, and the mother in her own right.

Mrs. Hamilton first brought action in behalf of herself, claiming \$50,000 damages by reason of the loss of her husband. In a suit filed last week Mrs. Hamilton, for herself and children, claim \$25,000 damages, by reason of the death of the husband and father and her son, Leroy Hamilton, Annie Hamilton, the daughter in the suit filed this week claims \$25,000 damages. In the suit of Robert R. Hamilton, a minor son, by his mother, and the mother in her own right \$20,000 damages are claimed for the minor son and \$5,000 for the mother--25,000 in all.

In the suit of Mary B. Hamilton by her mother and her mother in her own right, there is claimed \$8,000 damages for the minor daughter and \$2,000 for the mother. The daughter, it is averred, was badly burned and otherwise injured.

Well Known Couple Wed

Last evening at 8 o'clock at the home of the bride's parents on Washington avenue, Miss Anna L. Carson and James Johns, the latter of Dunlevy were married. Rev. Joseph Feighner of Wall performed the ceremony and there were about 40 guests present. A reception was tendered the couple after the wedding. The bride is the daughter of Mr. and Mrs. W. B. Carson, and is a well known young lady. The groom is popular along the valley. He has been employed at Carson's grocery store on Fifth street. The couple will not take any trip for the present, but will make their home with the bride's parents and later go to housekeeping in North Charleroi.

Getting Aroused

Could the detractors of Congressman John K. Tener have looked in upon the meeting of citizens and Republican workers at Charleroi last evening, they would have realized at least, how Mr. Tener stands in his home community. No assembly was ever more truly representative of the American type of citizenship than the one that gathered last night in Mr. Tener's home town to pledge their loyalty to the support of a worthy townsman, as well as to protest against slanderous and malicious attacks upon the good name and business integrity of one whom they honor and revere. The scene and incident was expressive of feudal times, when the Highland clans assembled and swore allegiance to their chieftan, and carried the fiery cross throughout the domain to summon their supporters to the fray. From this meeting the fiery cross of allegiance will be carried up and down the river to summon the clans to the forthcoming combat next Tuesday, when the battle of the ballots will be fought to decide whether honor, truth and integrity will triumph over malice, slander and vituperation. Few campaigns have exceeded this in personal vilification, for these reason that the opposition had nothing better to offer in the way of an issue. They manufactured malicious falsehoods against one of Charleroi's most esteemed townsmen, and the community is thoroughly aroused and will resent these aspersion at the polls on election day.

Stuart in the Campaign

Governor Edwin S. Stuart is delivering some of the most forcible speeches of the campaign. At every meeting he has attended he has been greeted by large audiences who have listened with deep interest to his views on the duty of the voter in Pennsylvania this year. Like every other good citizen of this State Governor Stuart is indignant over the campaign of slander directed by the money-hungry newspapers and office hungry candidates against the head of the Republican ticket, John K. Tener. The Governor is familiar with that sort of campaign. In 1906 he was the victim of the influences which are now assailing the Republican candidate. He is appealing to his friends to vote for Mr. Tener. In South Philadelphia, where he was born and raised, Governor Stuart said: "I am here tonight to ask you men to stand by the Republican party and the Republican ticket. The best thing we can do is stand by one another. I hope to see and I know I will see John K. Tener and every other Republican candidate triumphantly elected." The candidacy of Mr. Tener could not receive a more effective endorsement than that. It is the best reply that could be made to the cowardly attacks of his wretched traducers. Governor Stuart knows all about Mr. Tener and if there was anything wrong

with him the Governor would be the last man in the State to urge his election. Mr. Tener can stand the malicious attacks of the depraved combination that hopes to bring about his destruction by lying about him. But what do the people of Pennsylvania think of such a campaign. How will the fair minded Republicans of this State be counted on November 8th? Will they stand with Edwin S. Stuart and support John K. Tener, or will they malign themselves with brazen, self-seeking demagogues in the campaign of falsification?

ELECTRIC SPARKS

The North American says a lying attack has been made upon D. Clarence Gibboney, Keystone candidate for Lieutenant Governor. The difference between tweedle dee and tweedle dum. The North American is devoting more space now to telling how Gibboney didn't do it than how Tener did. The Philadelphia Ledger has North American's goat.

Trolley talk say that the West Penn is going to build a line along the river. When the line is completed and we are riding on it we will be more sure, however.

A man can go out and stay three-fourths of the night having a good time and pay for it, but if he is requested to work overtime and get paid for it, he gets a grouch.

Except the Philadelphia North American, human nature is the funniest thing in Pennsylvania.

Some fellows have the funniest idea of how to welcome a new man in town you ever saw. They make speeches at him.

With Thanksgiving but a short ways off the count of turkeys should be made by owners each night and each morning.

They talk about the human animal flying around the Statue of Liberty at New York as though it was something big. Yet other kind of animals fly around it several times a day and it requires no comment.

Even Gibboney, the pure, the reformer, the wise business man the shrewd attorney, was caught in a get-rich quick scheme, and associated with a crook, whose picture embellishes the Rogue's Gallery. Yet the Philadelphia North American while backing Gibboney discovers that a concern which has every evidence of being founded upon sound basis is supposedly a swindle. Funny old world of inconsistency, isn't it?

Enthusiastic Conference Held By Republicans

(Continued from First Page).

W. T. McAllister of Monongahela who has been a Republican all his life, sees no reason why he should change his politics. He said: "When Lincoln, the rail splitter, came out of Illinois he was slandered and traduced. The only issues the opponents of the Republican party can raise are those of slander and abuse but the charges always react." A. H. Anderson, candidate for State Senator; Rev. Daniel Ferguson, colored, who said that the negroes would vote for the Republican nominee; Thomas Hill, county commissioner; County Detective McCleary, Albert M. Gregg, of Monongahela; Dr. G. G. Crow and Charles A. Bentley candidate of Assembly were

other speakers. Mr. Bentley made a hit by referring to the Keystone candidate for secretary of internal affairs, Mr. Casey, and illustrated what would happen to Casey by retelling the famous baseball epic, "Casey at the Bat." John D. Berryman said that he had beard the Republican line in its den to be present in order to speak a good word for Mr. Tener. He said he knew the Charleroi candidate to be a clean, honest man, and urged every voter to give him his support at the polls.

Two resolutions were adopted by a unanimous vote. These were: Resolved, That all Charleroi citizens devote as much time as they can spare from their places of business and work shops to getting the vote out for Mr. Tener on election day.

Resolved, That the friends and supporters of J. K. Tener turn out en masse to the rally at Monongahela Monday night, November 7, when Mr. Tener will be present and close his campaign.

The meeting was one of the best

Stomach Troubles Cured by Vinol

HERE IS PROOF

"I suffered so long from stomach trouble and indigestion, that I lost flesh rapidly — VINOL cured me after everything else had failed. It strengthened my digestive organs — gave me a hearty appetite, and I can eat anything without the slightest distress. I do not believe anything equals VINOL for stomach trouble and indigestion."

W. E. WATERHOUSE, Portland, Me.

Mr. Thos. G. Wallace, of Detroit, Mich., writes, "I suffered for years from a chronic stomach trouble. VINOL entirely cured me after everything else had failed."

It is the curative medicinal elements of the cod's liver, combined with the strengthening properties of tonic iron contained in VINOL, which makes it so successful in restoring perfect digestion, and at the same time building up the weakened run-down system.

Try a bottle of VINOL with the understanding that your money will be returned if it does not help you.

The Fuel Supply Needs Attention Only Three Times Each Day

The makers of **Cole's Hot Blast Heater** guarantee this stove to hold fire with soft coal 36 hours without attention. Your old stove and imitation stoves leak air and waste fuel because they are not air-tight, because they have putty joints.

Cole's Original Hot Blast Heater

—by means of the patented Hot Blast Draft and other patented features which make it tight, doing away with the use of stove putty—requires less attention than any other heater made.

All fuel—Soft Coal, Hard Coal, Lignite, Wood or Corn Cobs—contains a large amount of gas. Fully one-half of the heating power (carbon) in soft coal is gas. This is the part of the fuel this wonderful heater saves, by burning it with the Top Hot Blast Draft. This makes Cole's Hot Blast Heater the most satisfactory, the most economical, the most convenient heater you can buy. Imitations and other styles of stoves allow this gas-half of the coal to pass up the chimney with the smoke, unburned.

Thousands of these stoves are in use and the sale continues to increase year after year.

This heater will give you more comfort than you ever thought possible by using any kind of a stove which uses soft coal for fuel.

Right now is the time to decide and select the size you should have. Come in and see complete line of styles and sizes.

W. H. BERRY

(Continued from First Page).

attitude on the liquor question. Please read his plank and below the Brewer's Association plank. They both favor regulation.

Have the Methodist Church leaders gotten no further along than this in the year of grace, 1910.

Berry's Plank—"The sale of intoxicating liquors is peculiarly a matter affecting each community. It is in accordance with true democracy and the right of self-government, that citizens be granted the opportunity to control the business of liquor selling in accordance with the will of the majority in each locality."

U. S. Brewers' Plank—"To deny that the local community has the right to decide for itself whether or not the sale of intoxicants shall be licensed is to deny a wholesome principle of self-government."

In 1896 Mr. Berry left the Prohibition party and took up free silver as his dominant issue.

In 1905 he asked the Prohibition party endorsement as candidate for State Treasurer, and got it on his avowed belief in Prohibition. He was elected largely through the canvass made by Prohibitionists.

In 1906 he begged from the Prohibition party the nomination for Governor on the ground that it would put the Democrats and Lincoln Republicans in a hole when they came to hold their convention. He won the Prohibition nomination by promising that if those parties rejected him and nominated a man not four square for Prohibition, would go with the Prohibitionists and fight it out before the people. Those parties did not endorse him, but put up a man whom, Berry said, could not be endorsed by the Prohibitionists because so drunk was he on the evening of his nomination that he had to be put to bed and a man, who after his nomination put over his own signature the statement: "I contribute to the brewery as I do to the church, the school and the hospital."

Then Mr. Berry threw over his shoulder the Prohibition nomination for which he had begged and went with the brewery candidate before the people against the candidate the Prohibitionists, by Berry's treachery, had been forced to hastily put up to fill the vacancy caused by his declination.

In the year 1910 the Democratic convention at Allentown, was not so corrupt but that Berry sought, almost with tears, its nomination involving what he now says was their dirty work. Its corruption consisted in turning him down. And this is the platform and the man recommended to the church by you, its leaders.

Why do you endorse them? You give yourselves away in one sentence. Here it is: "We desire very heartily to express our appreciation of the courageous fight against the saloon, so long prosecuted by the Prohibition party and its self-sacrificing leaders, but we feel that the present crisis is unparalleled in its call to all citizens to rally to the one standard which promises victory now."

There is milk in the cocoanut, "promises victory now." The desire to get into what now looks like "the swim" clear or cloudy, clean or dirty, straight or crooked, right or wrong. "Victory now." For thirty years the vote of the church under the influence of her leaders went almost solid for what is now stigmatized as "having forfeited all claims upon the support of the moral element of our citizenship." It was thus thirty years in the dirty "swim" and its leaders seem content to take a new plunge in the direction of "local control" of the liquor traffic.

The wrong against which these leaders now protest and to throttle which, they advise Prohibitionists to play the traitor to their own noble candidates and splendid platform by voting for Berry—candidates nominated too before the Keystone propaganda had an existence, has not been less flagrant, noisome or hell-deserving at any time during these thirty years than now.

Strange that you should so suddenly be awakened to the enormity of the wrong, but the promise of the victory won, any old victory on any kind of a platform, and with any kind of a leader, is inspiring to Christians intent on being "in the swim."

CHARLES UMBLE

In 1906 A. H. Anderson was nominated by the Republicans of Washington County for State Senator. Greene County also presented a candidate in the person of Hon. Daniel S. Walton. Under the conferee system then in vogue, each candidate was entitled to an equal number of conferees. The rules of the State Committee provided that in case of a disagreement, the State Chairman should appoint an umpire, whose vote should decide.

Col. W. R. Andrews, then State Chairman, appointed W. S. Parker, who decided in favor of Mr. Walton. How well Mr. Anderson supported the ticket after being turned down is best told by the following letter from A. M. Templeton, then Chairman for Washington County:—

Col. W. R. Andrews,
1417 Locust Street,
Philadelphia, Pa.

Dear Sir:—

You will remember that Mr. Anderson was a candidate for State Senate from the Washington-Greene district, and that I had a talk with you one day late last summer, at Atlantic City, regarding same. You saw fit to arrange matters so that Mr. Anderson would not receive the nomination, and the result was fully as bad as I told you it would be. Mr. Anderson developed great strength at the primary, and his friends were exceedingly indignant over his defeat and the manner of it. Had he stopped right there, as many would under the circumstances, it would have been a very serious matter for the whole Republican ticket in this county. Mr. Anderson, however, was not that kind of a Republican. He placed himself at the disposition of the County Committee and did everything in his power to undo the harm that had been done, and worked faithfully throughout the campaign. The indignation of his friends, however, was so great that, notwithstanding all he could do, our majority was several hundred less than it would have been had he been on the ticket, but he saved us many hundreds that we would have lost had it not been for his faithful work.

Yours very truly,
A. M. TEMPLETON,
Chairman.

Is the Tuberculosis Crusade Losing Ground?

Despite all the efforts being made by advocates of fresh air and egg-and-milk treatments, the number of new cases has been rather large. Write to us and ask to be referred to Clergymen, Priests, men and women who took Eckman's Alternative and are today well and strong without a trace of tuberculosis—pronounced so by physicians. Some of them took the Alternative 10 years ago when doctors said they would not live 10 weeks. Could anything be fairer to yourself and those who love you and would do anything to restore you to health? If you are skeptical—investigate us, our medicine, our advertised statements. Write to those who have sent in affidavits and testimonials telling how Eckman's Alternative cured them. Here is one: 5225 Girard Ave., Philadelphia, Pa. Gentlemen: "In the winter of 1903, I had an attack of Grippe, followed by Pneumonia and later by Consumption. I grew steadily worse. In the winter of 1904 I had rough night sweats, fever and raised quantities of awful looking stuff and later, I had many hemorrhages; at one time, three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Every thing I say here can be verified by my family and friends." (Signed Affidavit) Annie Floyd Tomlinson. Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and
